GUIDELINES FOR PRE-RECORDED ORAL PRESENTATION

The 9th International Conference on One Health (ICOH 2026)

28 October 2026

To ensure the smooth running of the ICOH 2026 virtual scientific sessions, all oral presenters are required to submit a pre-recorded video presentation. Presenters are requested to carefully follow the guidelines below.

1. General Requirements

Presentation Duration
Maximum **7 minutes**. Presentations exceeding the time limit may be returned to the presenter for revision or adjusted by the Scientific Committee.

Language
All presentations must be delivered in English.

Presentation Format
The recording should clearly display:

- the presentation slides (can be downloaded via the website); and
- preferably, the presenter's video using Picture-in-Picture (PiP) format.

Presenter
Only one presenting author should deliver the presentation on behalf of all co-authors.

Presentation Content
The presentation should generally include:

Title → Background/Introduction → Objectives → Methods → Results and Discussion → Conclusion → Acknowledgements

Presenters are encouraged to focus on the main findings and key messages rather than presenting excessive text.

2. Official ICOH 2026 Virtual Background

Use of the official ICOH 2026 virtual background is mandatory when the presenter appears on screen.

Official Virtual Background

Download here:
https://drive.google.com/file/d/1mJO_-WeJIDJ3zfCnttb5xhPbHpTLqVmK/view?usp=sharing

The background should remain clearly visible and should not interfere with the presenter's face or presentation slides.

3. Technical Specifications

Specification	Requirement
Video Format	.mp4 recommended; .mov accepted
Resolution	HD 720p (1280 × 720) or Full HD 1080p (1920 × 1080)
Aspect Ratio	16:9 Landscape
Duration	Maximum 7 minutes
Language	English
Audio	Clear and audible, without distracting background noise
Video Quality	Presenter and slides should be clearly visible
Maximum File Size	1 GB recommended
Orientation	Landscape

Presenters are strongly encouraged to test their microphone, camera, lighting, slide readability, and internet connection before recording.

4. Slide Preparation

Slides should be prepared in 16:9 widescreen format.

For optimum readability:

- use clear and sufficiently large fonts;
- avoid excessive text;
- use high-resolution figures and graphs;
- ensure that tables remain readable on screen;
- use good contrast between text and background;
- avoid excessive animation or transition effects.

The first slide should include:

Presentation Title
Presenter's Name
Co-authors
Affiliation(s)
Abstract/LoA ID

5. File Naming Convention

Please rename your video file using the following format:

AbstractID_PresenterName_Scope.mp4

Example:

ICOH026_JohnDoe_AquaticHealth.mp4

Please avoid spaces and special characters in the filename.

6. Video Submission

Submission Deadline

20 October 2026

All pre-recorded oral presentations must be submitted no later than 20 October 2026.

Submission Link

Upload your video here:
https://forms.gle/YEZ1D9zcQRC6DxY9A

Presenters are responsible for ensuring that the uploaded file can be opened and played properly.

7. Technical Verification

After submission, the Scientific Committee will check:

- video duration;
- audio quality;
- video quality;
- file compatibility;
- slide readability;
- correct presenter identity; and
- compliance with ICOH 2026 presentation guidelines.

If technical problems are identified, the presenter may be requested to submit a corrected video.

Recommended Internal Schedule

Video Submission Deadline: 20 October 2026
Technical Verification: 21–23 October 2026
Correction/Resubmission, if required: no later than 25 October 2026

8. Conference Session and Q&A

The pre-recorded presentation will be played according to the official ICOH 2026 scientific programme.

Presenting authors are expected to attend their scheduled session, either online or on-site according to the conference format, and participate in the live Question and Answer (Q&A) session following the presentations.

Failure to attend the scheduled Q&A session without prior notification may affect the issuance of the presenter certificate and may result in a reduction in the score awarded by the judging panel.

9. Important Dates for Presenters

Activity	Date
Abstract Submission	17 October 2026
Abstract Acceptance Notification	20 October 2026
Presenter Confirmation	20 October 2026
Pre-recorded Video Submission	20 October 2026
Video Correction, if required	By 25 October 2026
Conference	28 October 2026
Full-Paper Submission	30 November 2026
